Before you order

Australian product records: client website transcribed 12 September 2026; supplied pack labels and Product Handbook, transcribed September 2026.

Case references identify the client product listing. They are not GTIN barcodes. Confirm current packaging, certification evidence and ordering details with Austropical. Check the supplied pack label before serving.

The label serving size is a nutrition reference, not a recommended menu portion. Servings per pack are not extrapolated across different sizes.

Unit and carton GTINs, dimensions, gross weights, pallet configurations, shelf life and stock availability are not confirmed in these records. Ask Austropical for current logistics and supply information.
